Dear Sir,

EXPIRY OF FM RADIO FREQUENCY AUTHORISATION

We refer to the Authorisation granted to Bolton Portolio Limited (Agoo FM) on 2nd September, 2019 to establish and operate a Commercial FM Radio Broadcasting Station at Nkawkaw in the Eastern Region.

Reference is also made to our letter dated 4th June, 2024 notifying Agoo FM to submit a complete renewal application at least three (3) months prior to expiry of its Authorisation i.e., **by 1st September , 2024**. Regrettably, Agoo FM failed to apply for renewal of the expired Authorisation.

Consequently, Agoo FM does not have a valid Authorisation to operate a Commercial FM Radio Broadcasting Station at Nkawkaw.

You are hereby **directed not to operate the FM radio station at Nkawkaw** in accordance with Section 2 (4) of the Electronic Communications Act, 2008, Act 775.

Notwithstanding the above, Agoo FM is required to settle its outstanding Regulatory and Spectrum fees amounting to **Twenty-Five Thousand, Four Hundred And Thirty Ghana Cedis (GH¢25,430.00)**.

By a copy of this letter, the Koforidua Zonal Office of the NCA is directed to ensure that Bolton Portolio Limited Agoo FM ceases operation of its FM Broadcasting service in Nkawkaw on the frequency of 96.9MHz.

Yours faithfully,

DR. JOE ANOKYE
